

Declaration of Intention for the Sacrament of Baptism for Children

It is our/my understanding that by presenting this child for Baptism we are/I am assuming before God and His Church the responsibility to raise this child up in the Christian Faith and Life.

To this end, we/I declare that it is our/my intention to regularly attend worship together on Sundays, to share regularly in the fellowship of Christ and Christ centered friends, and to offer prayers privately and together in our/my home with this child.

It is our/my intention to lead this child into the full understanding and experience of Jesus Christ as Lord. We/I further intend to be a spiritual role model, and to teach my child by word and example to serve Christ in all people and to give of my time and resources to strengthen the ministry of Christ's Church.

Committed to these intentions, and with God's help, we/I declare our willingness before God to accept these vows of responsibility in a service of Holy Baptism.
