

## Declaration of Intention for the Sacrament of Baptism for Adults

I declare that it is my intention to be Baptized into the Body of Christ, his Church, and to publically commit my life to Christ.

I have studied the Examination and the Baptismal Covenant in the Liturgy for Holy Baptism in the Book of Common Prayer and I am prepared to respond and commit to the Christian Life as outlined.

It is my intention to regularly attend worship and be fed by the Sacraments, to share in the fellowship of Christian friends, to grow in my faith through prayer and the Study of Scripture, and to serve Christ in the world.

Committed to these intentions, and with God's help, I declare my willingness before God to accept these vows of responsibility in a service of Holy Baptism.
